In Honor of

## MRS. P. W. DEATON

Because she remembers holidays  
Are special days and makes occasions of them . . .

Because she has beautiful flower arrangements  
Which make our mealtimes warm and cheerful . . .

Because somehow, even in this day of food shortage,  
She serves us appetizing meals . . .

Because she is never too busy  
To help us with our social events and parties . . .

Because she shows kindness and thoughtfulness  
Wherever she is . . .

We dedicate this annual to MRS. P. W. DEATON

COACH STASAVICH

# 1947 Football

Coach Clarence Stasavich and his assistants, Fred Emerson, Larry Spearman, and Ray Von Link began the 1947 football season with about fifty men, the majority of whom were inexperienced in college football.

In fall practice and early season the team appeared to be just another stepping stone toward building a strong gridiron representative for Lenoir Rhyne after a five-year lay-off due to the war.

## Our Mour

But through hard work along with the valuable experience gained in the first games on the season's schedule, the 1947 edition of the Bruins developed into one of the strongest and most highly regarded elevens in the conference. In the opinion of many this was one of the greatest teams ever to represent Lenoir Rhyne on the gridiron.

## tain Bears

The Bruins completed the season in third place in conference standings with a record of four wins, three losses, and one tie. In the standings which included all games during the season they also finished in the number three slot, registering five wins, four losses, and one tie. For the two non-conference games they broke even, winning from the 82nd Airborne Division and losing to Newberry.

## Football

From this great team three men landed all-conference berths. Captain Frank Barger was selected at guard position on the coveted team for the third time during his college career. Frank Little, a first-year man, was named at end, and John Charles, also a freshman, was a halfback choice on the mythical team. Captain Barger received honorable mention for the all-state team.

In John Charles, Lenoir Rhyne produced one of the best freshman backs and one of the highest scoring men who has donned a Bear uniform in many years. Scoring a total of forty-eight points during the season, this triple threat tailback was in no small way responsible for the success of the Bruins this season.

# Football

But it wasn't individual stars that made the Bears a powerful team—it was a well-rounded lineup. In the forward wall the other outstanding men were: ends, Hanley Painter, Charles Jones, and William Coyne; guards, alternate captain Shu Carlton, Carl Wakefield, and Claude White; tackles, John Odum, Lee Confer, and Fred McCall; and centers, Raymond Camp and M. C. Abbee.

Haywood Martin's punting and line-bucking and Gene Miller's passing along with Charles' elusive running were the noted spectacles in the backfield.

Due to the loss of several key players, Coach Shore Neal's Bruins, defending North State Champions, found going a little rough last spring.

While the loss of the big bats of Troy Washam, Charlie Ballard, and Don Stafford was felt greatly, Washam's absence behind the plate was Coach Neal's greatest worry. But by making a few shifts in positions, this important slot was finally filled about mid-season by Charlie Bost who proved to be a very capable receiver.

Despite these obstacles, the Mountain Bears emerged with a won and lost percentage just short of .500—.462 to be exact—in conference play. Their conference record was six wins against seven losses.

Frank Barger, substitute first baseman, led the Bruins at the plate with a batting average of .417. Jack Triplett paced the regulars with a .333 clip while Edward Walker and Charlie Bost followed him up with averages of .297 and .290, respectively.

On the mound Bill Helton was the leader with a perfect record of three wins and no losses in conference competition. Bain Sisk, Paul Buff, and Hedrick Powell accounted for the other conference wins.

# GIRLS' SPORTS

Sports among the girls stepped into the foreground at Lenoir Rhyne this year. Activity was complete with tennis, soccer, basketball, modern dancing, hiking, physical education, and a keen Women's Athletic Association which sponsored numerous events. The girls took a renewed interest in all these things—and the result was a more well-rounded program of Girls' Sports. The WAA program kept things rolling . . . it included hiking outings, open houses for dancing, parties, informal get-togethers, and a banquet in the Spring. Yes, Girls' Sports are taking their rightful place at LR!

## ACTIVITIES

Girls' Basketball includes a Play Day with other colleges, some intercollegiate games, and intramurals.

## HIKING

Hiking is a special favorite . . . here are the girls ready for a good tramp . . . some of their outings include early morning gatherings before dawn . . . down to the lake on warm afternoons . . . out through the woods . . . it's all great fun . . . you can tell.

Calisthenics play an important part in physical fitness . . . and in pre-game preparation . . . here's the kick-off for the big game . . . they're out for a score and a win . . . everything moves . . . no loafing on this job.
